DETAILED ACTION

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Attorney Dan Fields on 12/06/2006.

The application has been amended as follows:

Claim 1, line 13, after "performed", insert – by associating a security status with said voice message --.

Claim 11, line 10, after "performed", insert – by associating a security status with said voice message --.

Claim 13, line 10, after "performed", insert – by associating a security status with said voice message --.

Claim 14, line 10, after "performed", insert – by associating a security status with said voice message --.

Claim 18, line 11, after "performed", insert – by associating a security status with said voice message --.

Claim 20, line 11, after "message", insert – by associating a security status with said voice message --.

Claim 21, line 11, after "message", insert – by associating a security status with said voice message --.

Allowable Subject Matter

Claims 1-15 and 18-22 are allowed.

The following is an examiner's statement of reasons for allowance:

The current invention recites a limitation of securing a voice message before or during recording, and securing is performed by associating a security status with the voice message. Nabkel teaches specifying securing parameters with a recorded voice message, such as associating a recipient's PIN to the recorded voice message. Nakel fail to teach associating a security status with a voice message before or during message recording.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
